INTERNAL AUDIT REPORT FOR THE YEAR 2021-2022

BY N. PRABHAKARA RAO DU NO - 169

1. The undersigned has been requested to undertake internal audit for the Financial Year 2021-2022 by the President, BOM on 07 March 2022. The reason for that is stated as one of the members of the Internal audit team of four members has come out with a letter dated 05-03-2022 (the rest three members have also come out) for the reason Internal Audit is not necessary as External auditors are paid and internal audit is just a duplication of work.
2. But in every organization private/public enterprises/office
 - i. Internal audit is done by the staff of the organization in detail – checking every day vouchers/transaction, Monthly P & L, Balance sheet, Income and Expenditure etc.
 - ii. After the internal audit ---- external audit is done based on the observations of the internal audit and a random check is made of the vouchers, day books, Balance sheets etc. and as assessment is given.
 - iii. However the Society's Management is ultimately responsible for the financial statements. The external auditors only express their opinion on the financial statements, after a random check and audit.
 - iv. In this background, the under signed was assigned the job for internal audit by JVVHOWA society on 09 Mar 2022 and the audit was commenced on 10-03-2022.
 - v. The under signed did not receive any report previously done (for the financial year 2021-2022) before 05-03-2022. Hence the internal audit was done meticulously for the period from 01-04-2021 to 31-03-2022.
