NOTICE FOR RESIDENT MEMBERS MEETING-2016

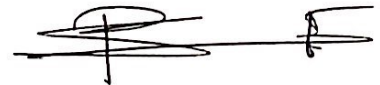

Notice is hereby given that a Resident member Meeting of Jalvayu Vihar House Owners Welfare Association is being convened as per Para 6 of Chapter III of bye-laws of the Association. The meeting will be held at 1000 Hrs on Sunday, 28 February 2016 at the Community Health centre "Áakash Ganga" to consider the following points:

- To consider the report of Sub-committee of water board, as earlier decided by AGM held on 30 Aug 2015, and commit funds as decided in the meeting to execute the works so recommended as per priority.
- To review the security concerns and install additional CCTV cameras at points not covered towards North site at approximately Rs one lakh with conclusion of AMC.
- To consider the changed circumstances for disposal of garbage and decide whether to hand over the work to Municipality at additional cost of Rs 50/- pm per household or procure a garbage van through municipality and carry out tasks by colony employed workers at an additional Rs 100/- pm per household.

Justification for RMM. The Board of Managers, in their meeting held on 20 Feb'16, decided to adhere to Bye-laws of the association and hold AGM during third Sunday of May 2016. The Bye-laws prohibit unplanned expenditure (beyond 01 Apr 2016) and in order to save time for execution of approved works of the water sub-committee (which took this arduous task to formulate the report as decided in last AGM) and also decisions that affect security concerns and garbage disposal in the changed circumstances, it is felt necessary to seek preliminary approval for these works through Residents Meeting of colony House Owners.

All resident owners are to note that a copy of 'report by the sub- committee on water management' headed by Dr N Chalamaiah is held in the office. All those interested to go through the report are welcome to seek the same through the secretary from the association Office.

The second registered holder of DU is permitted to attend the meeting on 28 Feb'16 if the first holder certifies that he/she is not in a position to attend for any stated reasons.

PS Nath
Secretary, JVVHWA
Hyderabad

PS: Lunch is being served to all those attending the meeting so that it truly becomes a participative and well discussed one.
