**Circular No-7**

Dear Member,

The AGM for 2020 was held on 18 Oct 2020 under Covid-19 pandemic conditions and a draft minutes was prepared by previous BOM, which received various additions and deletions. The circulation of minutes of this AGM is delayed due majority of members who attended the AGM felt that the minutes prepared earlier did not reflect the true discussions/happenings. Based on representation received from (H F/O) CS Laxmirajam, the newly elected board of managers debated the issue and since the corrected minutes had the signatures of acceptance from 56 members of the total 80 who attended the AGM at various stages, issue of these minutes was approved.

Accordingly, the minutes of Annual General Body Meeting held on 18 Oct 2020 at Aakash Ganga are enclosed for your information/record.
